[REDACTED]

I am answering your request for information under the Freedom of Information Act. Your request addressed the specifics of our school district and lobbyists or lobbying organizations that we may have worked with from January 1<sup>st</sup>, 2004 to the present.

**Please be advised that the Eureka County School District has not hired or retained a lobbyist during this time period.** We are a member of the Nevada Association of School Boards, as are all school district's in the State of Nevada.

The last item in your letter requests that we provide copies of invitations to any legislative receptions that have been "sponsored, funded, or otherwise underwritten in whole or in part by the school system..." In response, the Eureka County School District has not participated in any way with any legislative receptions.

Regards,

Lisa Jones

District Office Manager
